effect. The clean-up movement is attracting an unusual lot of attention, as is evident by the large batch of letters received daily at the offices of the Texas Commercial Secretaries and Business Men's Association commending that organization on the active part it has taken in this matter and assuring the organization of loyal support in making the movement a permanent affair.

Notice! Notice!

Dear Brethren—As vice president for the home mission board of your association, I lay the following facts before you: During the last two weeks of April last year the churches sent in \$192,499 for home missions. This year we shall need to raise \$260,000, or nearly \$68,000 more, during the same two weeks. This is an easy task for all the Southern Baptists. Let Texas Baptists do nobly their part.
